MARKET CAFÉ

MANILA, THE PHILIPPINES – Enter a world of mouth-watering cuisines from the East and West cooked right before your eyes. AG New World Manila Bay Hotel brings you Market Café, located on the third floor of Manila’s premier hotel. This restaurant has set a trend in Manila’s local dining scene.

Market Café introduces interactive dining with its unique and innovative concept of show kitchens and live-cooking. This dining spot is a premier choice in the Manila area. The restaurant greets you with an array of baskets filled with freshly crafted fruits and vegetables by Filipino artisans. Designed by the Hong Kong-based, world-renowned Bilkey Llinas Design, modern is crossed with inspirations from finely made Filipino baskets, giving it a relaxing, cozy and modern Filipino ambience.

The Show Kitchens

The Western Kitchen showcases authentic European and American cuisine straight off the grill, oven, pan or rotisserie and onto your plates. Grab a generous cut of prime rib, ready-to-grill lamb brochettes on skewers, add a spoon full of sautéed green beans with bacon and send your taste buds off to savory heaven. This kitchen also offers a variety of pizzas such as the Frutti di Mare with scallops, mussels, clams, prawns and basil pesto, and pastas like the spaghetti with garlic, chili, sun-dried tomatoes and extra virgin oil.

The Japanese Kitchen gives you taste of the land of the rising sun with its offering of sushi and sashimi, yakimono, tempura and teppan sections cooked and prepared by skilled master chefs. Japanese cuisine lovers will surely enjoy the authenticity of each dish.

The Chinese Kitchen is as busy as any Chinese kitchen with plenty of action behind the counter. Indulge in different kinds of noodles and dim sums, stir fried fillet of beef in oyster sauce straight out of the wok, roast duck, suckling pig, soy chicken and more.

The Bakery and Dessert Kitchen tempts even those who are counting calories. Give into the assorted homemade ice creams and sorbets and favorite sweet treats like the bread pudding, freshly baked artisanal breads, decadent cakes and the local favorite halo halo, to name a few. The sumptuous fare is the showcase of the artistry of our pastry chef, who specializes in producing great tasting, high quality desserts and breads.

Design

The focus of the design of the café is placed on the live, all-purpose cooking and buffet stations, each designed for easy production and visual displays for each meal period. The design by Hong Kong-based and world-renowned *Bilkey Llinas Design* revolves around an open show kitchen concept. Each kitchen station creates the feeling of being in a market, hopping from one store to another. The walls are decorated with stainless steel and brass tiles, which represent a modern version of the Philippines' fine craft of basketry, just like the baskets that are featured at the entrance of the restaurant. Market Café has a large collection of art, all acquired locally. There are displays of colorful dried organic accents, evoking the market theme
