RESPONSIBLE INVESTMENT SERVICES FINANCIAL SERVICES GUIDE

In the event that you have any doubt or uncertainty in relation to a financial product, we recommend that you should always seek independent personal advice from an experienced financial adviser licensed to provide personal advice before you decide to invest in any financial product. If you do not obtain personal advice, you face the risk that the financial products you select will not fully take into account your objectives.

Advisor fee

If you have a financial adviser and you would like them to receive a commission or advice fee paid from your account in one of the sub-funds of GPMSF-2 or Zuper Super, the amount of this fee will be negotiated independently between you and your adviser. You should ensure that you always receive a Statement of Advice when receiving personal financial advice from a financial adviser. You may inform the GPMSF-2 sub-fund or Zuper Super at any time if you want to remove any advice fees from your account.
