

HELLO! Thank you for your interest in joining our reseller network.

It is very easy to start reselling Pasalubong Treats! This guide will help you get started.

You can actually resell in two ways:

1. With on-hand inventory

You will buy your products for display at your store. You will keep an inventory of items until products are sold out.

2. Buy on-demand only, no inventory, no big capital

You will only buy your products from us when you have sure buyers. This way, you don't have to keep an inventory while waiting for buyers and you don't need to have a big capital to start selling.

Either way, ordering from us is easy as 1-2-3!
