ABOUT THE SSYC

Inspiring Choral Passion

Comprising Singapore's finest young choristers aged 17 to 28, the Singapore Symphony Youth Choir (SSYC) provides a fun and supportive environment that motivates and inspires singers to pursue their passion in choral singing.

Through a holistic choral training programme, passionate young singers form a community where they get to hone their vocal abilities and discover unique performing opportunities.

Making its debut in 2016 and under the guidance of a celebrated choirmaster, the SSYC has performed Scriabin's *Prometheus*, Puccini's *La Bohème*, as well as recorded Borodin's *Polovtsian Dances* and Mahler's *Symphony No. 2*, among others. Besides performing independently, the SSYC has also performed and toured with the SSC and SSO.

CHOIRMASTER

Armed with a passion to inspire choral excellence in children and youth, Wong Lai Foon has been a driving force behind the development and growth of the Singapore Symphony Children's and Youth Choirs. A founding conductor of the Children's Choir (SSCC) at its inception in 2006, Wong was appointed Choirmaster in 2015, and led in the formation of the Youth Choir (SSYC) in 2016.

She has prepared both ensembles in a wide range of performances that have drawn praise for the choirs' beautiful tone and polished delivery. Highlights of past collaborations with the SSO include Britten's *War Requiem*, Bizet's *Carmen*, Puccini's *La Boheme* and Mahler's 2nd and 3rd symphonies. In addition, the SSCC has shared the stage with the celebrated ensemble, The King's Singers, the *Maîtrise de Radio France* at the *Philharmonie de Paris*, and has performed for local and world heads of states at state functions. The SSYC is featured on the SSO's latest CD, *Russian Spectacular*.

Wong has commissioned and premiered works by local composers in an effort to grow the body of local compositions for treble choirs. Her efforts to educate and inspire extend into the community through workshops, talks, as well as adjudicator, chorus-master and guest-conductor roles. Some ensembles that she has worked with include The Philharmonic Chamber Choir, Singapore Symphony Chorus, Singapore Lyric Opera, Hallelujah Singers, and Methodist Festival Choir. She holds a master's degree in choral conducting from Westminster Choir College, USA.

COMMITMENT

Membership in the Singapore Symphony Youth Choir is a commitment to faithful, consistent and punctual attendance. Every member is obligated a personal duty to promote the prosperity of the choir; consistency is essential to the success of both the individual member and the organisation.

I. Rehearsal Schedule

Day: Mondays

Time: 7:30PM – 10:00PM

Location: Dance Studio, Victoria Concert Hall or Victoria Concert Hall

The Youth Choir meets weekly on Monday evenings, with additional sessions on Thursdays and consecutive weeknights during concert week. Members are to check the latest announcement from the management for possible sudden changes of venue or theatre-related protocols.

Rehearsal schedules are subject to change. Information disseminated via email (and occasionally WhatsApp) should be taken as the most accurate.

II. Important Rehearsals

Compulsory rehearsals are highlighted on schedule, and are typically piano and tutti-orchestra rehearsals preceding a performance.

Concert day warm-ups, run-throughs and production briefings are generally scheduled 2-3 hours before a performance. It is important that all members be present for these pre-performance protocols.

III. Project Participation

Members should complete and return the project commitment form to the choral management at the soonest possible. This will help us program and coordinate the logistics of rehearsals and concerts more efficiently.

For reasons of conflicting schedules or personal exigencies, do communicate changes in commitment promptly to the choral management by email.

- Members are expected to be present for the full duration of the concert programmes planned. Absences or unavailability, for any one performance of a particular concert, may lead to exclusion from the said project.
- New members, who have been accepted into the Youth Choir after performance numbers have been finalized, can expect to perform from the next project on. This ensures a smooth transition (for the new member) to the learning pace of the Youth Choir.

The Choirmaster maintains discretion in making artistic decisions on members' suitability for concerts and performances.

IV. Attendance Requirements

(A) Expected Attendance

Full attendance for rehearsals and performances is greatly appreciated but understand that circumstances may forbid. A minimum attendance rate of 75% is required for rehearsals and performances scheduled (excluding compulsory sessions).

(B) Attendance below 75%

Members are strongly discouraged from falling below the minimum attendance rate as this may disqualify members' eventual participation in a scheduled performance. The Choirmaster's approval must be sought for all exceptions.

- **Excused absences:** Absence with apologies including later arrivals or leaving early, can be acquired by submitting a notice to the choral management via email. These will still count against the 75% attendance requirement.
- **Unexcused absences:** Four consecutive weeks of absences unaccounted for, will be considered a voluntary withdrawal from a project.

Members' commitment to rehearsals and scheduled concerts/performances is important to ensure continued artistic excellence. Unaccounted absenteeism from a quarter of rehearsals, over the course of a season, may result in the review of membership.

Similarly, members who miss two concerts in a row, without adequate justification, may have their SSYC membership renounced.

**Season: A season refers to the performing calendar that runs between July to June each cycle*

V. Leave of Absence (LOA)

The SSYC recognises that unforeseen work or personal exigencies, e.g., illnesses, family tragedy or work-related activities, may necessitate absence from a rehearsal.

In such circumstances, members should inform the choral management at the earliest opportunity via email to choral@sso.org.sg or SMS/Whatsapp to the choral mobile number.

(A) Short Term LOA

Regular leaves of absence may be granted for up to 4 sessions for a project, up to 16 sessions in the whole season, subject to the nature of the request.

(B) Extended LOA

The extended absence must be discussed in advance with the Choirmaster and choral management. Members returning from extended leave (9 months or more) will be subject to a re-evaluation.

VI. WITHDRAWAL/TERMINATION

(A) Withdrawal

Members who wish to withdraw from the choir must submit a written withdrawal notice to the choral management. The announcement of withdrawal should include a reason for departure and the date from which the resignation is to be effective.

(B) Termination

The SSYC reserves the right to terminate a membership at its discretion. Any of the following reasons shall be deemed as grounds for termination of membership: regular absenteeism without good reason, poor discipline, unsatisfactory performance, and if member is found to have acted in a manner that is prejudicial to the interests or the reputation of the SSYC.

Any member who is the subject of termination shall be informed in writing, by email.

Termination is effective immediately. Upon the cessation of membership, all music must be turned in and any outstanding dues paid in full. Withdrawn/terminated members who wish to re-join the SSYC will be subject to a stringent review and re-audition.

Decisions made by the Choirmaster and choral management are final.
