

Enhancing Employment through Assistive Technology & e-Accessibility

Gain an appreciation of how assistive technologies can support employees with disabilities at work. This workshop will let you get hands-on with various assistive devices and software, it also emphasises on the importance of accessible content to facilitate the recruitment and training of employees with disabilities at work.

VENUE : Enabling Village,
20 Lengkok Bahru,
S(159053)

COURSE FEE	
Full Course Fee	\$321.00
<i>(Before Funding including GST)</i>	
Nett Fee	\$ 32.10
<i>(After WSG Funding including GST)</i>	

At the end of this workshop, participants will understand how to:

- ✓ Leverage on the wide spectrum of assistive technologies available, to overcome different disability challenges and support employees with disabilities at work
- ✓ Develop a framework to identify and adopt suitable AT for the accommodation of individual needs
- ✓ Enable materials and content (word documents, notes, slides, websites) to be accessible to everyone, including employees with disabilities
