Fundamental Critical Care Support (FCCS)

8.00am to 5.00pm | Academia

20 College Road, Singapore 169856 (Located in SGH Campus)

INTRODUCTION

A 2-day intensive course that prepares participants to manage critically ill patients for the first 24 hours until transfer or appropriate critical care consultation can be arranged.

COURSE OUTLINE

FCCS is an internationally recognized course providing basic critical care information to the non-critical care specialist. FCCS was developed under the auspices of the Society of Critical Care Medicine, USA and locally administered by the Society of Intensive Care Medicine (Singapore) and SIMS-IMSE.

The 2 day course consists of lectures plus interactive skills stations and pre & post assessment tests. Individuals who successfully complete the provider course will be certified by the Society of Critical Care Medicine, USA. FCCS Certificate valid for 4 years.

COURSE OBJECTIVES

- To prioritize assessment needs for the critically ill patients
- Identify appropriate diagnostic tests for the critically ill patient
- Identify and respond to significant changes in the unstable patient
- Be able to recognise and initiate management of acute life threatening conditions
- Determine the need for expert consultation and / or patient transfer and prepare the practitioner for optimally accomplishing transfer

SPONSORS

SICM & SIMS would like to express its heartfelt appreciation to Covidien Private Limited in making this course successful.

COURSE FEES

- \$650.00 (inclusive of 7% GST)

REGISTRATION

Complete the registration form and email it to: sims.imse@singhealth.com.sg.

Note:

- Participants cannot successfully complete the course unless they attend all the lectures and skills practice.
- Participants who are late for more than 1.5 hour from the stated start time will not be able to join the course and deemed as absent. Course fees will not be refunded.
- SIMS will not be liable for loss of personal property.
- 8 CME Points will be awarded.
