#### FAQs

#### What is this training program about?

This is an online training program in the field of stock market trading. Students will be trained in the basics of trading and will practice their trading skills on the way.

**How will the training be imparted?**

The training will be delivered using state-of-the-art online tutorials and interactive exercises.

**What is the duration of this training?**

This is a 4 weeks training.

**What are the timings of this training program?**

As this is a purely online training program, students can choose to learn at any time of the day. We will recommend a pace to be followed throughout the program, but the actual timings can be decided by students according to their convenience.

**Who can join?**

Internshala Beginner's Trading Certification would be better suited to beginners who have no prior knowledge of trading. Anybody who has an interest in the field and wants to explore is eligible to join this program.

**Are there any pre-requisites for joining this program?**

This program is for beginners. There are no prerequisites.

**Will there be any project that I will get to work on?**

Yes. You will build your own trading portfolio as part of this training. The problem statement for this will be provided.

**Will there be a certificate provided at the end of the training?**

Yes, a certificate will be provided by Internshala upon completion of the training. Students may download a soft copy of the certificate through our portal.

**Can the material be used by a group of students?**

No. The training program is meant for individual users. Multiple users will not be allowed to access the portal using the same account.

If you have any queries or doubts regarding the training, please write to us at [trainings@internshala.com](mailto:trainings@internshala.com) or call us on +91 85860 80747.
