- ◆ PROVEN STRATEGY

Think twice before you take CPC Training.. Take training from Experts.

DON'T take training from Non certified coders. Medical Coding is complex. Trainers should have coding and teaching experience

Dr Guptha is an AHIMA ICD-10 Certified Trainer with 10 years of coding experience.

- ◆ 2-3 months Training
- ◆ Take Training ANY time
- ◆ If you can spend 2 hours per day, you can complete in 2 months
- ◆ Total 24 Modules
- ◆ 5 CPC Mock Exams

Certified Professional Coder Exam is Board Exam. it's a Pen and Paper Exam. 150 Questions, all Multiple Choice Questions.

Exam Duration: 5 hours 40 minutes

Exam Dates: Please Visit www.aapc.com

Passing Score: 70%

Includes one free retake

CPC is sponsored by AAPC. CPC is very good certification for Medical Coding. There is Huge demand for Certified Coders.

Medical Coding is Skilled Job. There are no Short Cuts. You need to have Comprehensive Knowledge on coding, billing and HIPAA to pass the CPC Exam.

More than 5000 students taken online training and 80% students passed the CPC Exam. Medesun training is Comprehensive, covers every thing that is required to pass the CPC Exam.

Medesun Training is 100% Online-Distance Education. This is best option for MTs, PRs, Medical Billers.

Medical Coding is Skilled Job. Knowledge is Must.

There are no Shortcuts for CPC exam. You need to study well and pass the exam. CPC is International Exam. AAPC maintains integrity. NO SHORTCUTS.

AAPC publishes the syllabus and material needed, you need to follow that. Medesun provides comprehensive CPC training, that prepares you for the CPC exam.

Advantages of Online Training:

- ◆ Study when and where Required
- ◆ Avoid Travelling and spend your time wisely
- ◆ Continue to work while advancing your career.
- ◆ Achieve your goals without sacrificing your job
- ◆ Become CPC Coder in 2-3 months

**Please make note that ONLINE Training is good for people who are good in Medical Terminology like Medical Transcriptionists, Medical Record Technicians, Medical Billers, Paramedics, B-Pharmacy, Microbiology, BioTech etc.

CLASSROOM training is required for BA, B.Com, MCA, MBA, Btech students, poor in Medical Terminology.

***PREFER Online Training if you doing Job or busy in other activi-

- CPC exam fees is 500 USD and Membership is 125 USD
- Visit www.aapc.com and register online. You need original books for exam. Photocopies are not allowed. Make sure you complete all topics as mentioned by AAPC.
- Before exam, you need to practice the TIME Management. Many students fail the exam as they cannot manage the time. Exam as 150 questions, all are Multiple choice questions.
- We suggest atleast practice 5 MOCK exams before CPC exam
- Medesun provides complete guidance for CPC exam, Dr Guptha as passed 20 coding certification exams and knows to prepare for the CPC exam.
- Please check trainer credentials before you decide to take CPC training.
- NEVER take training by uncertified coders.
