- ☞ Music is a combination of heart and soul. Our crystal clear Focus is on learning rather than completing the session. We focus more on creativity rather than memorizing activity. We follow simple methodology through regular classroom teaching along with workshops, listening sessions, performance practices, Self creation activity, L n T and other creative methods of training.
- ☞ Music is the priceless gift. There is no right age to start, earliest is the better. If you are passionate about music, Today is the right day despite of your age.
- ☞ It's a Pure learning of Music for Singing. Just learn it, feel it and Sing it.
- ☞ Music is a Journey and it's a continuous learning and development process.
