Feedback:

Classes are very nice. The way of learning is much better than expected. There is a very personal connection to the learning, and it doesn't feel like a chore. However, the infrastructure is a little cramped.

Are you interested in continuing the higher levels, Yes/No? Give Reasons. Yes
Will definitely want to pursue higher level here

Will you refer your friends? Definitely / I will / May be / Never
Yes, I will. I was referred here. And I will do the same to someone I know due to overall feeling
