This quaint town is akin to a scene out of a storybook with its half-timbered houses, rustic canals and lush flora and fauna. The tour manager will bring you on an orientation tour along the narrow winding streets of the historic Old Town, littered with medieval houses dating back to the 16th and 17th century. Don’t miss a visit to the Petite Venice, as it offers one of the best photography spots in Colmar. It has the most eye-cathing and unique half-timbered Alsatian houses that cling to the edge of the river Lauch as it winds through the city’s old fishmonger district.

After which, head to Engelberg for an exciting excursion up to the peak of Mt. Titlis via the Rotair, where you will be treated to a 360-degree panoramic view of steep rock faces, deep crevasses and distant snow-covered mountain peaks as the gondola rotates its way up the summit.
