

ABOUT THE DEPARTMENT

We are located at the centre of the West Bengal state, the Malda district town, which is well communicated with other districts of the state.

There is a further need of exploring the biodiversity and bio-resources of Malda. Ours is a young but strong organization, the University of Gour Banga, and the Department of Zoology is a promising organ of it, for making new vista.

We train our students in the field of modern biological and biomedical sciences through exploration of the local biodiversity and bio-resources including biomedicines. The scope of research of the Department is PG project work, and M Phil and Ph D researches in the field of Entomology (basic and applied), Microbiology (medical, environmental and food), and Immunology (basic and applied). Our students and scholars are promising with a focus on sustainable environmental health through their active participation in extensive studies and research, and various other activities of the Institute.

UNIVERSITY OF GOUR BANGA DEPARTMENT OF ZOOLOGY

National Level Seminar On Current Research In Biological And Biomedical Sciences

Date of Seminar: February 9, 2016

Venue
Conference Hall
University of Gour Banga

SEMINAR THEME

*Advances in Environment and Health-
a Changing Paradigm*

Organised By
Department of Zoology,
University of Gour Banga
Malda- 732103

REGISTRATION FEE

Teachers/Scientists	:	₹ 600/-

Announcement / Invitation

On behalf of the Organizing Committee, it is great pleasure in inviting you to the National Level Seminar on *Current Research in Biological and Biomedical Sciences*, to be held at the Department of Zoology, University of Gour Banga, Malda-732103, on *February 9, 2016*.

It is indeed an honour of pride announcing that the seminar will be a platform to explore and share the knowledge and views among the scientists, research scholars and students in this part of the globe. The plenary/lead/invited lectures/key note speech, open oral and poster presentation will cover various facets of modern Biological and Biomedical Sciences. Here at Gour Banga (Malda) we hope that all the participants/delegates will enjoy their comfortable stay because at that time the weather remain pleasant and bright, and the seminar will be enjoyable and memorable too. We look forward to your participation and welcoming you to the seminar at the University of Gour Banga, Malda.

With very nascent regards

Dr. Shyamapada Mandal,
Organizing Secretary of the Seminar and Head,
Department of Zoology, University of Gour Banga
Malda-732103.

Call for abstract:

Abstracts should be structured, within 200 words, containing background and objectives, methods and findings, and conclusion in Calibri 12 font size. The name of presenting author should be underlined; number of presenting authors for poster may be more than one. Title should be within 20 words in uppercase and bold.

Seminar scope: All fields in Biological and Biomedical Sciences

Note:

1. For paper presentation registration of all authors is mandatory
2. Send your abstract to the organizing secretary of the seminar via e-mail: zooseminar2016.ugb@gmail.com (copy to: samtropmed@gmail.com) along with scanned copy of the filled-in registration form with all information.
3. Ongoing or passed out PG students can submit abstract for presentation.

Accommodation is either self-arranged or its availability from the seminar committee, on first come first service basis, in the UGB guest house. Accommodation payment (approx Rs.500/night) should be made on spot.

Organizing Committee
