# University of Gour Banga

The University of Gour Banga is one of the newly developed state universities, which has been established by the West Bengal Legislative Assembly vide West Bengal Act XXVI of 2007. UGB is a multi-disciplinary University with an aim for the quality research and teaching across the academic spectrum, with subjects spanning Sciences, Social Sciences, Humanities, Management, Commerce, Computer Applications etc. It seeks to sustain and enhance its excellence as an institution of higher learning through outstanding teaching and world-class societies they serve.

## About the Department

The Department of Botany, UGB, has started its journey on the birth day of Swami Vivekananda, 12<sup>th</sup> January, 2012, as one of the key science department with a goal to impart the light of scientific knowledge to the under-privileged students of Malda, Uttar and Dakshin Dinajpur districts, and other areas of West Bengal and adjacent states. Within this short span of journey, the department presently runs M.Sc., M. Phil. and Ph.D. programmes in its academic avenues.

## Preamble

Following the inclusion of high throughput advance technologies, the present trend in modern biological teaching and research has been modified significantly. This seminar aims to reassess the spirit of Modern biology by covering all frontier topics, with special emphasis on - recent trends on plant and microbiological research. The seminar includes Plenary Lectures / Key note Lectures and invited talks by eminent personalities from India, in addition to contributed papers both oral and poster presentations.

### Sections -

1. Modern trends in plant and microbial systematics
2. Plant and Microbial genomics, proteomics, and metabolomics
3. Plant - microbes interactions
4. Stress analysis in plants and microbes
5. Trans-disciplinary approach in plant and microbial research

## Call for Papers

The participants for the conference are invited to submit paper for oral or poster presentation. Kindly submit one page abstract printed on an A4 size paper (1.5 spacing using Microsoft Time New Roman, 11 font size) of your proposed presentation to the organizing secretary, not later than 29<sup>th</sup> February, 2016. The abstract be send as an e-mail word attachment to abhijitbhu@gmail.com. Participants will be informed within seven days of receipt of abstract. Abstracts of all papers accepted for oral and poster presentations will be available through conference abstract volume.

**Full papers will be published in the form of Book Volume with ISBN**
