CONCEPT ORIGIN

EXPLORING THE IDEAL HOME FOR LIVING TOGETHER

STORY INTERPRETATION

○ Jungle elf giraffe CiCi and hippopotamus LILY are good friends. They love the natural environment but also yearn for the city, wanting to play with children. They decided to search for an ideal home to live together and traveled many places to search.

○ Finally, they discovered this happy place in a beautiful city, with forests, springs, and colorful bubbles. There are many children running and chasing happily here.

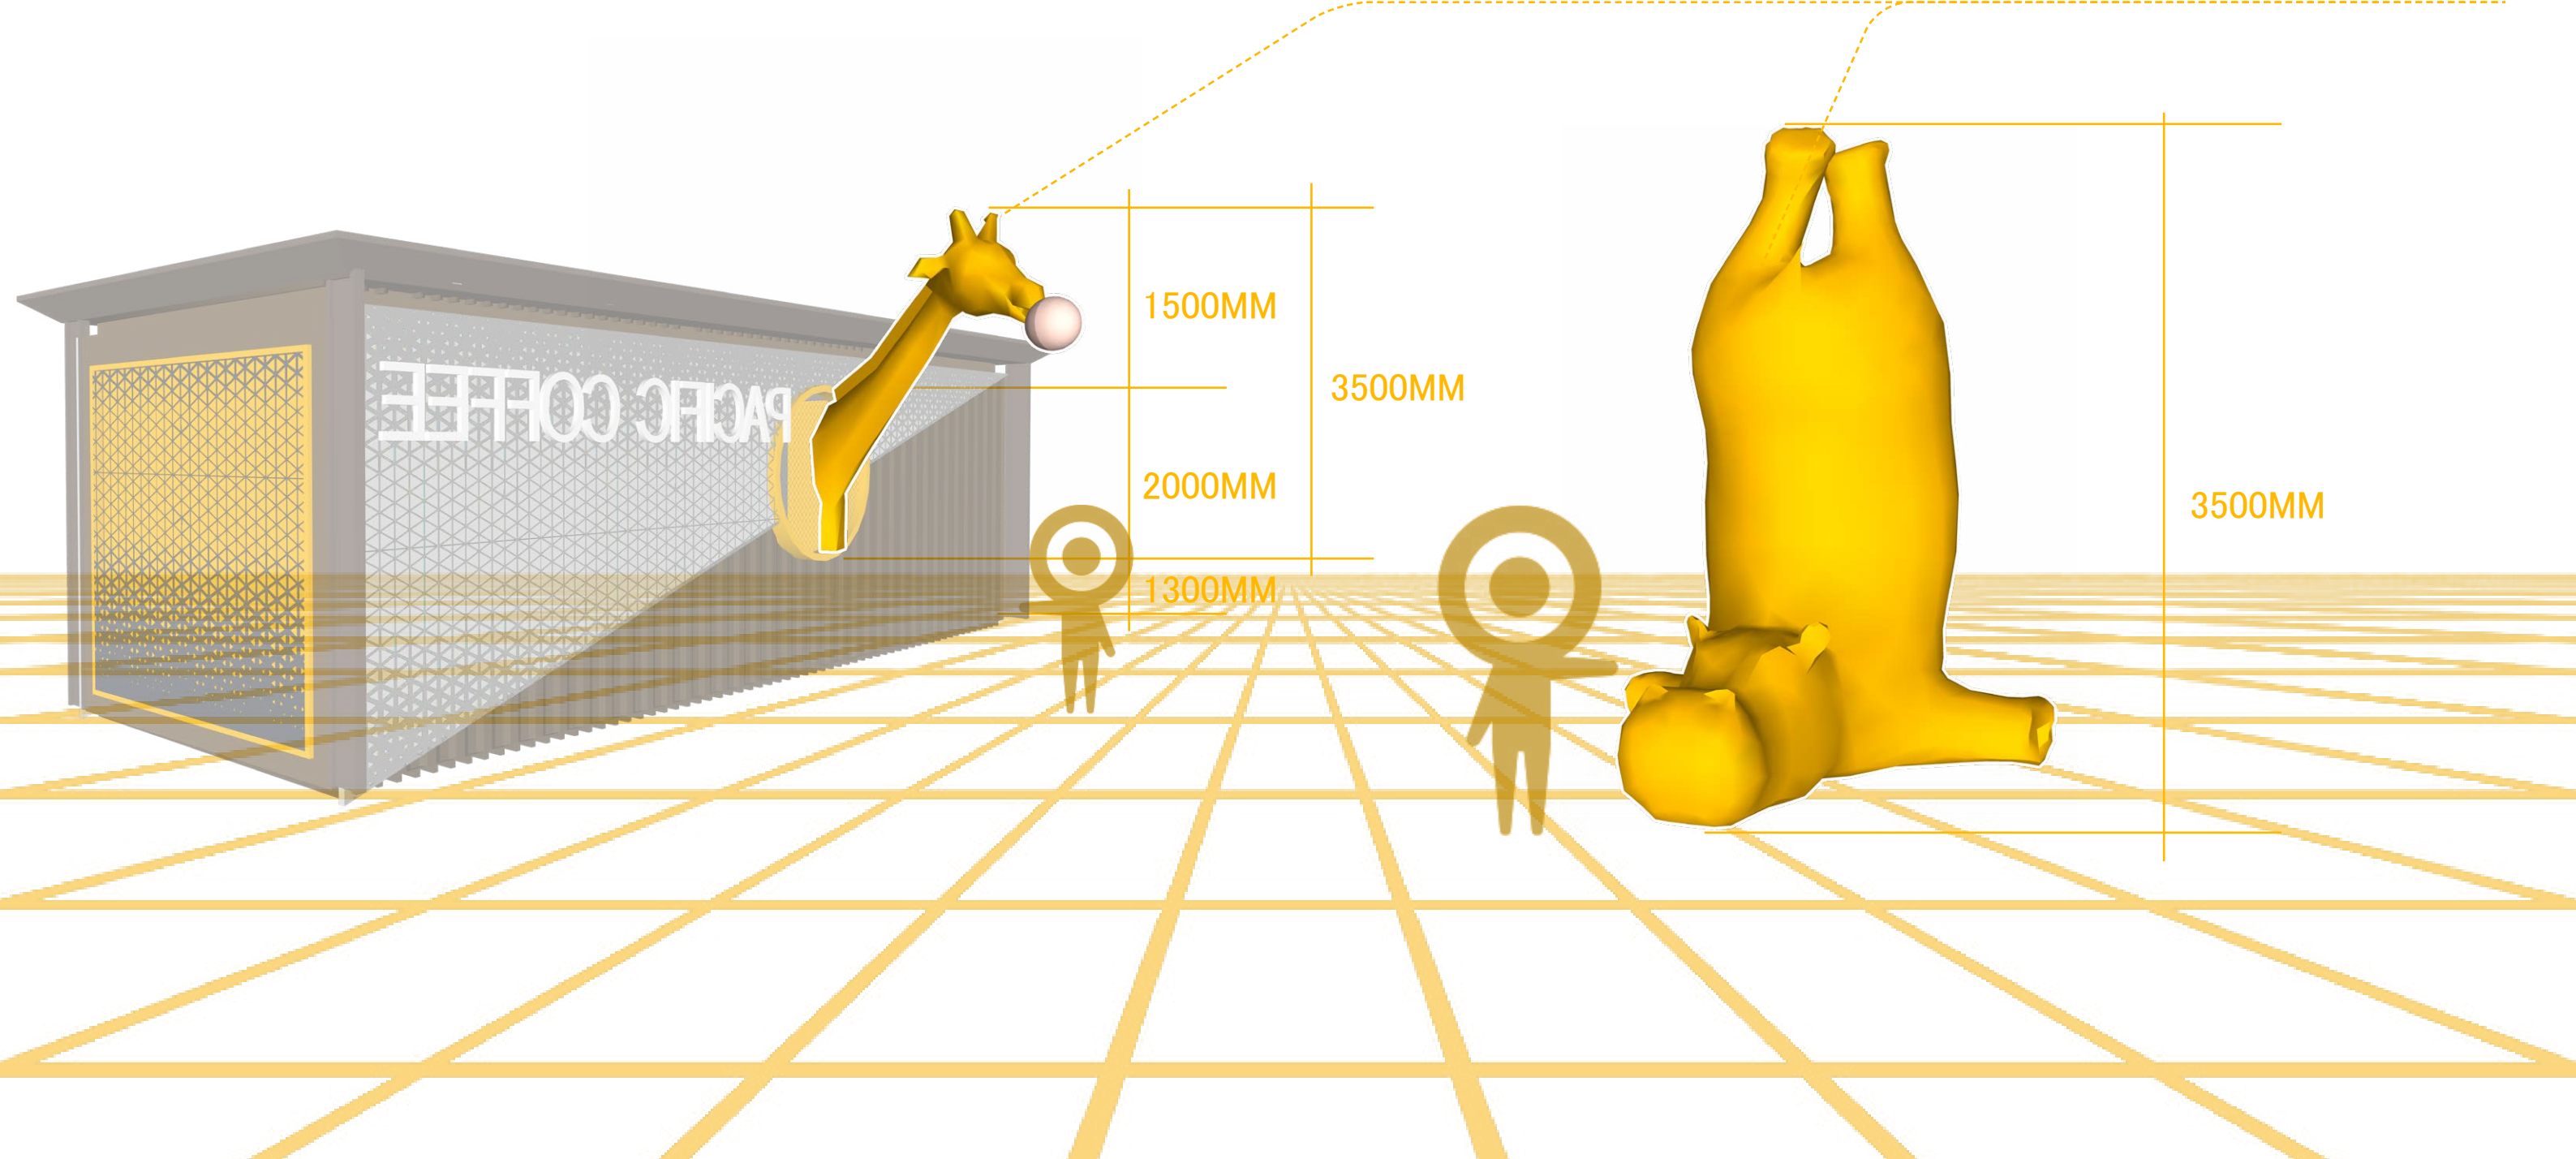

○ CICI and LILY quickly fell in love with this place and welcomed more people to this place where people and nature can coexist harmoniously.
