Dear Sir / Madam,

Sri Lanka Law College is the only gateway to enter the legal profession as an attorney-at-law in Sri Lanka and is functioning under the Incorporated Council of Legal Education (under the Incorporated Council of Legal Education Ordinance No. 02 of 1900) to administer legal education to persons who desire to be enrolled in the Bar of Sri Lanka. The Sri Lanka Law College has also created the space for students to facilitate practical exercises of which the end result would be the sharpening of soft skills such as presentation, advocacy and court room ethics.

In furthering these goals, the Moot Society of Sri Lanka Law College is proud present the H V Perera QC Memorial Moot Court Competition on the 5th, 6th, 7th and 8th of April 2018. The H V Perera Memorial QC Moot being the pioneering International Moot Court Competition in Sri Lanka and the first of its kind intends to set an important milestone in the history of the Moot Society of Sri Lanka Law College. Laying the foundation for this significant venture the Moot Society organised the National Moot Court Competition this year which was the first ever national level moot court competition that provided a great opportunity to young law students to nurture their argumentation and memorial writing skills.

In continuing this initiative, we are pleased to extend this invitation to your law school/university to be part of the first International Moot Court Competition held in Colombo, Sri Lanka. This year the competition will be based on Commercial Law Arbitration.
