

The background is a complex, layered composition. On the left, there are vibrant, organic splashes of color in shades of teal, red, and purple. The center and right are dominated by a textured, light beige surface with faint, white line-art outlines of a city skyline. A large, stylized graphic element, resembling a thick, multi-colored 'S' or a wave, is positioned in the center-right. This graphic is composed of several overlapping, curved bands in shades of cyan, purple, magenta, and red. The overall aesthetic is modern and artistic, suggesting themes of transformation and urban development.
