# **ABOUT US**

Al Sharif Elevators L.L.C. is a renowned supplier and service provider of Elevators & Escalators in the UAE.

Established in the year 1993, we have more than 25 years of experience in the market, and we strive always to provide the best quality products & services in order to satisfy all the needs and requirements of our clients.

## **□ OUR AIM:**

We have set new benchmarks in the market and properly realize the importance of binding our organization through a well-defined set of quality principles applicable across all levels of the company. We aim to satisfy our customers up to the maximum extent. Overall we aspire to:

- Become a leader in the Elevator/ Escalator Installation & Service industry.
- Sustain our reputation and continue to provide customer satisfaction with high quality products and services with affordable costs.

## **□ OUR MISSION:**

We have made it our mission to develop and establish our organization as one of the top Supplier of Elevators, Escalators and Walk through in the UAE Market. Due to hard work and commitment of our professionals, we are capable of offering quality solutions to the major Corporate clients.

We excel in quality production and designing, partnering with MP & SJEC Elevators who are manufacturing quality products have emerged as our core activities. Plus, we are always working to maintain our competitive edge in cost and we don't compromise with our quality of the products and offering these at competitive rates.

### **□ OUR TEAM:**

Our workforce is our basic strength and reason of our success.

Helping us to make success in all our endeavors, we are backed by highly qualified and disciplined team. With experience in their respective area of work our team has been able to make the fullest use of our resources.

Our team keeps strict vigil on quality tests which are conducted at various stages of development. Our researchers are very much active in keeping us up to date with latest technological and market trends.

### **□ OUR QUALITY ASSURANCE:**

We never compromise with the quality of our product range as we consider work of quality as the only way to achieve success. Our quality department is very much conscious about quality compliance and it has put in place total quality management mechanism. As a part of this mechanism, regular quality tests are conducted on various parameters to see the upkeep of quality as per the international standards.

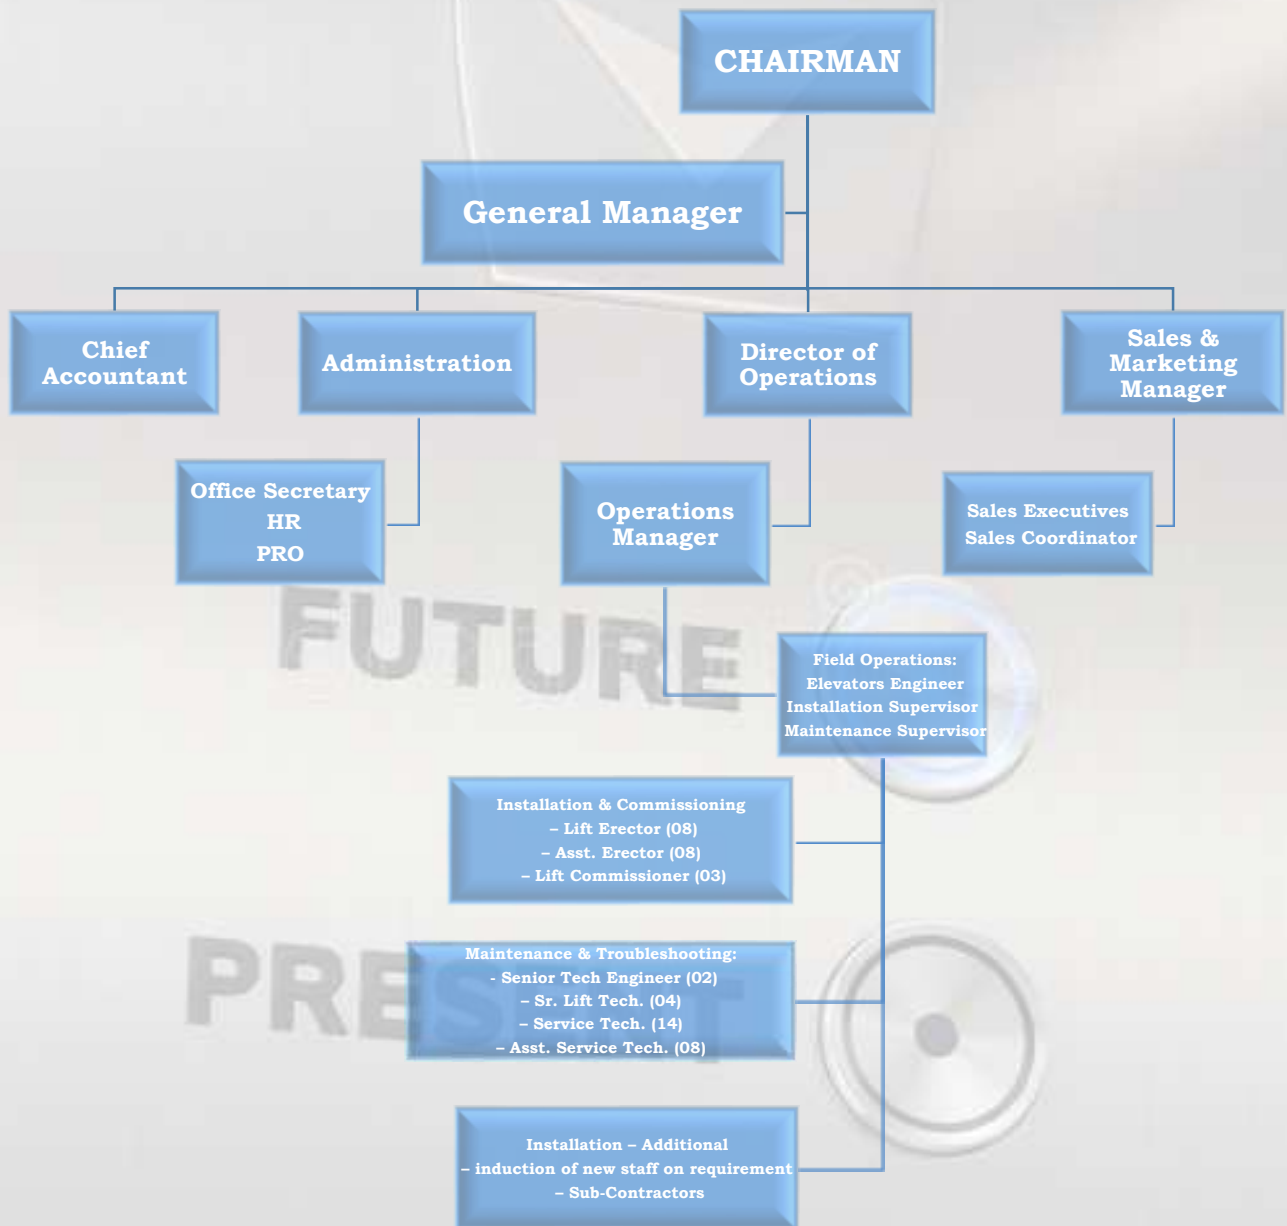

### **□ OUR EXCELLENCE:**

Being one of the most proficient Suppliers of quality range of elevators and escalators, our range is widely sought in the industry. We are expanding our reach through collaborations and tie ups. We have established connection of sales with the MP Lifts from Spain, SJEC Elevators from PRC which is ISO 9001 and European standards EN81 that assures the Quality Component and durable products with TUV approved. Our main focus is the Elevators market in the United Arab Emirates

We also provide 24/7 maintenance services to all types of elevators, escalators and marine elevators.

As we step into our 25<sup>th</sup> years of business we take this opportunity to cordially thank all our customers for their continuous support.

## ❑ ORGANIZATION CHART:

& Durable products with TUV approved.**

**All Traction Elevators are based on: VVVF Technology to regulate the Power**

# OUR SERVICES

MP, have been manufacturing innovative and effective solutions for the world of elevators and its professionals for over 30 years.

Their elevators are present in over 80 countries on all the 5 continents. Under MP motto “we adapt your space naturally”. MP eco-efficient provides solutions tailored to the needs of customers and international standards, optimizing energy resources with the utmost respect for the environment. MP acquired EN ISO 9001: 2008 and all MP products are strictly manufactured in compliance with European Directive 98/37/EC, 95/16/EC Annex XIV, Module-D, Annex V111 Module -E, Annex X111 Module H and Code of DIN EN115/EN81.

BKG Bunse-Aufzüge GmbH - founded more than 50 years ago, is a company specializing in the manufacture of service lifts and goods lifts. Supplies are made to more than 70 countries world-wide, solely to lift companies taking care of the installation and possibly also the maintenance later on. BKG Bunse-Aufzüge-GmbH has agencies in many countries of the world. Quality and delivery faith have always been the basis of our company's philosophy. BKG products are known for customized solutions, high quality standards, short delivery and installation times, reliability, and pre-mounted electric installations. BKG range of products includes service lifts, goods lifts, automatic lifts, special lifts (e. g. for ships).

# **OUR SERVICES**

## **□ Maintenance Service Provider for any Elevator Brand.**

Al Sharif Elevators made has become a well renowned name in the market by providing high quality maintenance services for almost any unit brand. With our well trained and experienced team we have managed to take care of many elevators & escalators units in UAE and provided the best service and keep smooth operations of the units.

Our warehouse facility is professionally managed and stocked with all kinds of latest amenities. Our warehousing facility has made it possible for us to ensure safe and hygienic storage of our bulk consignments besides guaranteeing maintenance of quality parameters by providing suitable conditions. Our warehousing is highly systematized to ensure proper handling and to avoid haphazardness.

## **□ Modernization & Upgrades of Old Elevator Units.**

With many old buildings around the UAE, Al Sharif Elevators is your best choice to upgrade and modernize your elevators, with cost effective, reliable and best quality parts we can upgrade your units and keep it smoothly operational.
