Home of Distribution

Who We Are:

AHSKA General Trading Company, Member of Dubai SME & KHALIFA FUND Abu Dhabi. Established in 2017, with its Headquarters in Dubai, AHSKA General Trading Co. LLC is working with numerous brands from across the globe and its professionally managed distribution is catering to multiple industries and product categories.

We are dealing with More than 50 accounts (More than 600 point of sales).

Our Business

Our strong foundation includes businesses with leading brands and an impeccable reputation. Our product lines includes food, nutrition and cosmetics. Each sector is composed of numerous leading brands, enabling us to obtain market-leading positions.

Our People

We believe trading and distribution is a highly niche area. That's why we created a team that is highly professional, efficient, specialized and most importantly experienced. With a combined experience in trading and distribution across each sector, our company boasts a wealth of unmatched expertise. Our employees are the face of our company. That's why we continually focus on enhancing their skills. We put emphasis on product training and market analysis.

Strategic Objectives

- To emerge as a national player in the markets we involve in
- To create marketplace distinction in niche products and services
- To satisfy all customers by promoting quality, credibility and dependability

Why Choose Us

We believe in customer satisfaction and that is our driving force. We offer unmatched customer experience, delivering a hassle-free experience, transparent transactions and timely product deliveries. We have a lot of experience as well as a reputation for reliability. Transparency and ethicality are two things we never compromise on.

OUR CLIENTS: MORE THAN 600 POINT OF SALES
